### **FORTBRAND SERVICES, INC., ANNOUNCES THE SALE OF THREE VAMMAS PSB5500 MULTI-FUNCTION SNOW REMOVAL VEHICLES TO CHARLOTTE DOUGLAS INTERNATIONAL AIRPORT (CLT)**

Plainview, New York, November 15, 2013

Fortbrand Services, Inc., the exclusive worldwide distributor of the Vammas snow removal product line, has received a purchase order for three reconditioned Vammas PSB5500 multi-function snow removal vehicles from Charlotte Douglas International Airport (CLT).

The units will also be outfitted with the latest Vammas plow technology, the P8400 flexible polyethylene moldboard plow.

Vammas PSB vehicles have revolutionized the method by which snow removal is accomplished on runways and taxiways at major North American airports. The reliability of Vammas PSB vehicles in clearing runways within predictable minimal time frames has resulted in aircraft arrival rate increases and substantial savings in delay costs to the airlines, as well as a reduction in operating, maintenance and human resource costs for airport operators.

*Fortbrand Services is a niche business specializing in the sale, lease and rental of aircraft ground support equipment throughout the aviation industry. The Company also is a distributor for unique airfield maintenance equipment, including high-speed Vammas snow removal vehicles, the multi-function Hagie GST 20 Sprayer, the Beam A8000 Multi-Task Airport Service Vehicle and the Bergkamp FP5 Flameless Pothole Patcher.*
