

DC-101

Runway Rubber Removal and Cleaning Solution

-Cleanedge DC-101 is the next generation of surface rubber removal detergents!

-Non-toxic, environmentally friendly formula is safe on all surfaces and on operators.

-LOW FOAMING, low odor rubber remover. Just spray, agitate and rinse. Easy to use.

-Removes tough rubber buildup from the active airfield movement area that experiences heavy accumulations of carbonized rubber caused by today's commercial, as well as military, aircraft operations.

-True water-based non-flammable solution. Applies, rinses/removes easily, lowering your cleaning cost.
