FORTBRAND SERVICES, INC., ANNOUNCES ALAN STEARN ELECTED AS CO-CHAIR OF SAE G-15 COMMITTEE

Plainview, New York, April 26, 2014

At the meeting of the Society of Automotive Engineers (SAE) Aerospace G-15 Committee, held in April at the International Aviation Snow Symposium in Buffalo, NY, Alan Stearn, Executive Vice President of Fortbrand Services, was elected G-15 Committee Co-Chair.

The SAE G-15 Airport Snow & Ice Control Equipment Committee addresses all facets of airport snow and ice removal equipment – design, maintenance, operation and in-service experience. The SAE G-15 Committee was formed in 1999, pursuant to a request from the FAA to prepare industry specifications for airport snow and ice removal equipment.

Fortbrand Services is a niche business specializing in the sale, lease and rental of aircraft ground support equipment throughout the aviation industry. The Company also acts as a distributor of unique aviation and airfield maintenance equipment, including high-speed Vmmas snow removal vehicles, the Hagie GST 20 multi-season airport vehicle, the Beam A9000 multi-task airport service vehicle, the Bergkamp FP5 flameless pothole patcher and the Prinoth SW4S all season snow removal and summer maintenance vehicle.
